THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Colorado has retained the services of Pearson VUE to develop and administer its insurance licensing examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS

Practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on insurance examinations. Our practice tests will not only help prepare candidates for the types of questions they will see on the licensure exam, but also familiarize them with taking computer-based examinations.

Pearson VUE offers practice tests in the areas of Life, Health, and Property and Casualty that contain questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The tests closely reflect the format of the real licensure examination, can be scored instantly, and provide immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase practice tests anytime at www.pearsonvue.com. The fee is \$19.95 per test.

*TELECOMMUNICATION DEVICES FOR THE DEAF

Pearson VUE is equipped with TDD (Telecommunication Devices for the Deaf) to assist deaf and hearing-impaired candidates. TDD calling is available 8 a.m. to 5 p.m. (EST) Monday through Friday, toll-free at (866) 274-4777.

This TDD phone option is for individuals equipped with compatible TDD machinery.

CANDIDATE SCORES WILL NOT BE GIVEN OUT OVER THE PHONE.

EMAIL

It is important to maintain a current email address on file with Pearson VUE/Colorado Division of Insurance. Producers are informed of the latest industry news through email notifications and by the Regulator, the newsletter published by Division of Insurance and emailed to producers several times per year.

PRACTICE TESTS

Practice tests are offered exclusively online at www.pearsonvue.com.

If the application is incomplete after a review by Pearson VUE, the applicant will be notified in writing of the application deficiencies. At that time, the applicant will have to re-apply and re-submit the application fee.

AUTHORITY SPECIFIC REQUIREMENTS FOR A RESIDENT PRODUCER LICENSE

The requirements provided below are additional requirements for the lines of authority stated. The applicant must also meet the general requirements as stated in the previous section of the handbook and provided on the *Resident Licensing Requirement* matrix in back of this handbook.

Title and Attorney Title Applicants

All Title agency applicants must submit at the time of licensure an original notarized letter from an accountant verifying actual paid-in-cash capital of a minimum of \$10,000 (Reg 3-5-1, Section 7).

All Title and Attorney Title applicants must also electronically report all affiliated business arrangements immediately after licensure at www.dora.state.co.us/pls/real/AFB_Web.Logon?p_div=INS.

Variable Life and Variable Annuity Products Applicants

All Variable Life applicants must hold an active Life license prior to submitting a Variable Life and Variable Annuity Products application or must apply for Variable Life and Variable Annuity Products in conjunction with the Life authority.

Variable Life and Variable Annuity Products applicants are encouraged to provide their CRD# at the time of application. Using the applicant's CRD#, Pearson VUE will verify that the applicant is registered with FINRA the Financial Industry Regulatory Authority.

Surplus Lines Applicants

All Surplus Lines applicants must hold an active Property and Casualty license prior to submitting a Surplus Lines application or must apply for Property and Casualty in conjunction with the Surplus Lines authority.

LONG-TERM CARE

The Colorado Division of Insurance does not offer a Long-Term Care license but grants the authority for producers to sell Long-Term Care if 1) they are licensed for Life or Accident & Health and if 2) they complete the required continuing education courses prior to selling Long-Term Care and every two (2) years thereafter.

Resident Life and Accident & Health Producers who intend to sell Long-Term Care products must complete sixteen (16) total Long-Term Care course credits prior to selling Long-Term Care Products. Of the sixteen (16) credits, eight (8) credits must be specific to Long-Term Care partnership and be in a classroom setting. The other (8) credits can be general Long-Term Care course credits.

Starting at the beginning of the second 2 year period after the producer became eligible to sell Long-Term Care, the producer must complete five (5) classroom Long-Term Care credits every two years. Insurance carriers are responsible for assuring producer compliance with the five (5) hour classroom Long-Term Care continuing education credit. Please contact your carrier with any questions on the continuing education requirement.

Long Term Care courses can also be used to meet the Life/Accident & Health/Property/Casualty continuing education requirement if the course is a Colorado approved Life or Accident and Health course. These courses will be submitted to Pearson VUE by the course provider and will be reflected on the producer's course transcript.

LICENSE CONTINUATION

All Colorado Producer licenses are due to be continued every two years on the last day of the producer's birth month. For individual producers, the first license expiration date may be anywhere between 13 months and 24 months from the date of issue, depending on the producer's date of birth and the month in which they are licensed. After the first continuation, the license will be a full two (2) year cycle.

Pearson VUE will mail a license continuation notice to all producers ninety (90) days prior to the license expiration date. License continuation notices will be sent to the producer's mailing address so it is important that producers comply with the law and notify Pearson VUE/Colorado Division of Insurance of all address changes within 30 days of the change. Failure to receive a license continuation notice does not excuse a producer from continuing their license by their expiration date.

Producers are required to apply for license continuation online at www.sircon.com/colorado or www.nipr.com. All license continuation requirements must be received by Pearson VUE by the license expiration date. Colorado has no grace period for license continuation. After the license has been continued, producers can print their license online at www.sircon.com/colorado.

CONTINUING EDUCATION

Continuing Education Requirement

Resident producers holding a Life, Accident and Health, Property, Casualty, or a Personal Lines license must complete 24 continuing education credits every continuation cycle, starting with their second cycle. Producers are exempt from completing education during their first cycle. Any credits taken during the first cycle will not be applied to future requirements.

Of the twenty-four (24) credits that are required every continuation cycle, producers must complete eighteen (18) credits in the line of authority that they are licensed for, three (3) credits in the Ethics category, and three (3) credits in a category of choice. Continuing education credits can be taken anytime during the two-year cycle but must be completed by the license expiration date. A maximum of twelve (12) credits taken beyond the required twenty-four (24) credits can be carried over to the next cycle if the credits were completed within the last 120 days of the cycle. Producers cannot receive course credit for courses repeated within a 2- year period.

Producers holding multiple lines of authority that require continuing education are only required to complete a total of twenty-four (24) credits. A minimum of eighteen (18) credits must be completed in the any of the lines of authority that the producer holds. Therefore, the producer can choose to take courses in the Life/A & H category, the Property/Casualty category, or both depending on the license authorities that they hold.

A list of continuing education courses and education course providers can be accessed at www.sircon.com/colorado. After completing a course, the course provider will electronically submit the course completion information to Pearson VUE within 15 working days. Producers can view of a list of courses that have been reported to Pearson VUE at www.sircon.com/colorado.

Continuing Education Requirement Notification

Producers will be mailed a CE notification 120 days prior to their license continuation date. The CE notification will list the number of credits required and the number of credits applied to the producer's requirement. When reading the CE notification, as shown below, the three (3) credits that can be completed in a category of choice are only reflected in the "Required Hours" for the "Overall CE Requirement". When completed, these credits will be reflected in the "Applied Hours" column in either the "Ethics" or "Life/A & H/Property/Casualty" category, depending on the course completed. When the requirements for each category have been met, the "Status" will change to "Compliant".

| CE REVIEW DATE | LICENSE TYPE | REQUIREMENT | REQUIRED HOURS | APPLIED HOURS | STATUS |
|----------------|-------------------|--------------------------------|----------------|---------------|---------|
| (Exp. Date) | Resident Producer | | | | |
| | | Ethics | 3 | 0 | Pending |
| | | Life/A & H / Property/Casualty | 18 | 0 | Pending |
| | | Overall CE Requirement | 24 | 0 | Pending |

NAME AND ADDRESS CHANGES

To be in compliance with Colorado law, licensees must notify Pearson VUE/Colorado Division of Insurance within 30 days of changing their name or address. It is also important for applicants to maintain a current e-mail address on file as the Division of Insurance often communicates with producers through e-mail.

Name changes, address changes, and e-mail address changes can be submitted online at www.sircon.com/Colorado. Licensees are strongly encouraged to verify their address change after submitting their request to ensure proper delivery of all correspondence mailed to the licensee.

COMPANY APPOINTMENTS

Effective January 1, 2000, the Colorado Division of Insurance/Pearson VUE no longer tracks company appointments. Insurance companies are required to maintain their own appointment records.

REGISTRATION OF ASSUMED TRADE NAMES

Prior to registering with the Insurance Commissioner, producers must contact the Secretary of State's Office at (303) 894-2251 for procedures to file with the Secretary of State.

Section 10-2-701 C.R.S. requires any licensee using an assumed name to register the name with the Insurance Commissioner prior to using the assumed name.

It is the Commissioner's responsibility to determine the following:

- If the name would tend to be misleading to the public or
- If the name is similar or identical to the name of any producer whose license has been revoked or suspended.

To register with the Insurance Commissioner your alias, assumed name, d/b/a, trade name, or fictitious name under which the insurance producer conducts business, submit the completed Assumed Name Registration form available at www.dora.state.co.us/insurance.

Obtaining and Submitting a Registration Form

1. Visit www.dora.state.co.us/insurance and click on “Information for Producers” then scroll down to “forms”.
2. Click on “Trade Name Registration and Instructions.”
3. Print the form, fill in the required fields, and mail or fax the form to:

Pearson VUE/Colorado Division of Insurance

3131 S Vaughn Way, Suite 205

Aurora, CO 80014

Fax: (303) 733-9507

Colorado has no grace period for license continuation. After the license has been continued, the license can be printed online at www.sircon.com/colorado.

Agency Name and Address Changes

To be in compliance with Colorado law, Pearson VUE/Colorado Division of Insurance must be notified within 30 days of an agency name or address change. Producers are also encouraged to maintain a current email address on file with Pearson VUE/Colorado Division of Insurance as important licensing information is often communicated through email.

For agency name changes, agency producers must provide a written request on the agency letterhead with an explanation of the change or supporting documentation. Agency license holders that are changing the name of the agency and have changed the tax identification number are required to cancel the license and obtain a new license under the new name and tax identification number.

Agency address and e-mail address changes can be submitted online at www.sircon.com/colorado. Verification of accurate entry of the new address is strongly encouraged to ensure proper delivery of all future correspondence mailed to the agency.

FREQUENTLY ASKED QUESTIONS

DISCLOSING A CRIMINAL CONVICTION OR BANKRUPTCY

April 2010

Q. DOES A CRIMINAL CONVICTION PREVENT A PERSON FROM BEING LICENSED AS AN INSURANCE PRODUCER?

A. A criminal conviction does not always result in a denial for a license. The Division of Insurance reviews all producer applications individually.

Q. CAN THE DIVISION TELL ME WHETHER MY CONVICTION WILL RESULT IN A DENIAL FOR A LICENSE BEFORE I APPLY FOR A LICENSE?

A. No. The Division of Insurance must review each situation individually. It must review the documents provided concerning the conviction in order to make a determination. We cannot make this determination prior to the application being filed.

Q. WHAT INFORMATION SHOULD I PROVIDE ON MY CONVICTION?

A. Please review the application carefully and provide the information as required to Pearson VUE. Your application will not be reviewed until this information is received. If the required information is not received, your application will be delayed until the proper documentation is provided.

Q. WILL A BANKRUPTCY PREVENT ME FROM BEING LICENSED AS AN INSURANCE PRODUCER?

A. Not necessarily. You must provide the required documentation and your information will be reviewed.

Q. HOW LONG WILL THE REVIEW PROCESS TAKE?

A. There is no estimated time frame. The review time varies according to the complexity of the situation and the work load of the Division of Insurance staff.

Q. WHO CAN I CALL TO FIND THE PROGRESS OF MY REVIEW?

A. The Division of Insurance cannot provide an update on the review of your application due to high work load. In addition, they cannot give you a specific date when the review will be completed. If you have not heard from the Division for more than 30 days after you have filed your application, please contact Pearson VUE at 1-800-275-8247.

CONTINUING EDUCATION REQUIREMENTS FOR INSURANCE PRODUCERS

Revised April 2010

Q. WHAT DOES COLORADO'S CONTINUING EDUCATION (CE) LAW REQUIRE?

- A. Colorado law requires all resident producers to complete twenty-four (24) hours of **Colorado-approved continuing education courses every two (2) years and requires that three (3) of the twenty-four (24) credits be in Ethics.**

There are two (2) exceptions to the CE requirement: 1) first-time licensees will have until their second continuation cycle to comply; and 2) producers holding a limited or restricted license (e.g., travel ticket, bail, title, credit) are not required to complete CE as long as their license is in good standing with the Division of Insurance. Colorado will consider **nonresidents** in compliance with the CE requirement if they have satisfied the continuing education requirements of their home state.

Q. I HAVE MORE THAN ONE COLORADO INSURANCE AUTHORITY. WILL I NEED TWENTY-FOUR (24) CREDIT HOURS FOR EACH AUTHORITY?

- A. No. The statute requires a total of twenty-four (24) credit hours every two (2) years.

Q. WHEN CAN I BEGIN ACCUMULATING CREDIT HOURS?

- A. Producers have the period between their last continuation and their next continuation date to accumulate the required CE credits for their next continuation. First-time licensees have until their second continuation cycle to comply with the CE requirement. The accumulation period for a first-time licensee is the two (2) years prior to their second license continuation period. Any credits earned prior to that time will not count toward the second continuation.

Example: Licensee's second continuation is January 1, 2005, and the accumulation period is January 1, 2003, through December 31, 2004. Any credits earned prior to January 1, 2003, will not apply toward the January 1, 2005, license continuation.

Q. CAN I CARRY OVER EXTRA CE CREDIT HOURS?

- A. Producers who complete more hours than their CE requirement may carry over to their next continuation up to twelve (12) credit hours if the courses were taken in the final 120 days of the license continuation cycle. (Carry-over credits do not apply to first-time licensees. See previous questions.)

Q. DO I NEED CONTINUING EDUCATION FOR MY AGENCY LICENSE?

- A. No.

Q. IF THE ONLY AUTHORITY I HAVE IS LIFE, VARIABLE LIFE AND VARIABLE ANNUITY PRODUCTS, ACCIDENT AND HEALTH, WHICH CLASSES CAN I TAKE FOR CE CREDIT?

- A. At least eighteen (18) hours must be in the Life/Health category with the balance in the Life/Health or Property/Casualty categories. *Please remember: out of the required twenty-four (24) hours, three (3) hours must be in Ethics.* Only courses previously approved by the Division of Insurance prior to your completion date are eligible for CE credit.

Q. IF THE ONLY AUTHORITY I HAVE IS PROPERTY OR CASUALTY, WHICH CLASSES CAN I TAKE FOR CE CREDIT?

- A. At least eighteen (18) hours must be in the Property/Casualty category with the balance in Property/Casualty or Life/Health categories. *Please remember: out of the required twenty-four (24) hours, three (3) hours must be in Ethics.* Only courses previously approved by the Division of Insurance prior to your completion date are eligible for CE credit.

Q. IF I HAVE A COMBINATION OF AUTHORITIES SUCH AS LIFE, VARIABLE LIFE AND VARIABLE ANNUITY PRODUCTS, ACCIDENT AND HEALTH, AND PROPERTY AND CASUALTY, WHICH CLASSES CAN I TAKE FOR CE CREDIT?

- A. Since you have a combination in Life/Health and Property/Casualty, you can take Life/Health or Property/Casualty approved courses. You may split the hours between both categories or you can accrue all hours in one (1) category. *Please remember: out of the required twenty-four (24) hours, three (3) hours must be in Ethics.* Only courses approved by the Division of Insurance prior to your completion date are eligible for CE credit.

Q. ARE PRODUCERS WITH PROFESSIONAL DESIGNATIONS EXEMPT?

- A. No.

Q. I AM A NONRESIDENT LICENSE HOLDER. AM I REQUIRED TO COMPLY WITH COLORADO'S CE REQUIREMENTS?

- A. No. If you have satisfied the continuing education requirements of your home state, Colorado will consider that as satisfaction of the continuing education requirements as long as your home state recognizes the satisfaction of its continuing education requirements imposed upon producers from Colorado on the same basis.

Q. WHAT IF I'M LATE PAYING MY CONTINUATION FEE?

- A. An insurance producer license is a perpetual license as long as the continuation fee is paid and continuing education requirements are met. If the fee is not paid, the license is not valid and it will be considered expired as of the renewal date. After your license is expired, you will have to pay new license fees in order to reinstate it. If your license is expired for more than one (1) year, you will have to complete all precicensing requirements in order to have it reinstated.

Q. WHAT IF I'M LATE COMPLETING MY CE HOURS?

- A. If you have paid your continuation fee on time but have not complied with the continuing education requirements, your license cannot be renewed. You will be required to submit a new license reinstatement application after you have completed the continuing education credits. If you have been granted an extension by the Colorado Division of Insurance, you will have until your extension date to complete the continuing education requirements for the renewal of your license. You may request a temporary license for the extension period. Extensions will only be granted for good cause.

Please refer to Colorado Bulletin B-1.14 or you can call Pearson VUE at (303) 733-9395 or (800) 275-8247 to request further information.

Q. WHERE CAN I FIND A LIST OF APPROVED PROVIDERS OF CE COURSES?

- A. A list of approved course providers can be found on the Sircon website (www.sircon.com). Under "Quick Start for Agents," click on "Look Up Educational Courses/Credits."

Q. WHAT KIND OF COURSES CAN I TAKE?

- A. Continuing education credits can be earned only through Colorado-approved self-study/correspondence courses, classes, lectures, or seminars conducted or offered by approved Colorado CE course providers.

Q. CAN A COURSE BE REPEATED?

- A. A producer who successfully completes an approved course may not repeat the course and count it toward the required hours within two (2) years of its original completion date, except for courses that deal with statutory updates. All eligible courses will have a different course number.

Q. I AM MARKETING LONG-TERM CARE PRODUCTS. IS SPECIAL TRAINING REQUIRED?

- A. Resident producers wishing to offer LTC products after January 1, 2009, must complete the following requirements. The one-time LTC training required shall be no less than sixteen (16) hours, eight (8) of which shall consist of the general Long-Term Care Section, and eight (8) of which shall be specific to the Long-Term Care Partnerships in a classroom setting. The ongoing training required by this section shall be no less than five (5) hours in a classroom setting for each continuing education cycle.

A list of Long-Term Care course providers is available on the Division of Insurance website at www.dora.state.co.us/insurance. Select "Information for Producers", "Continuing Education", and "LTC Course Providers". Additional information on Long-Term Care requirements is also available on the Division of Insurance website and can be accessed by selecting "Information for Procedures" and "5 Hour Long Term Care Compliance".

Q. I AM MARKETING CLAIMS-MADE POLICIES. IS SPECIAL TRAINING REQUIRED?

- A. All resident producers engaged in the sale, consultation, or adjustment of claims-made policies must complete continuing education training as covered in Section 10-4-419 (2) (g), C.R.S. Producers must complete the following training:

1. Completion of a one-time, two-hour approved classroom course, lecture, or seminar devoted to claims-made policies and receipt of a certificate of completion; or
2. Completion of a one-time approved self-study program of claims-made policies equivalent to two (2) hours. Upon completion of the program, the participant executes a certificate of completion.

If the provider of the course has requested approval prior to completion, the training can apply toward the twenty-four (24) hour continuing education requirement.

Q. HOW ARE CONTINUING EDUCATION CREDITS REPORTED?

- A. Effective January 1, 2007, course providers must enter this information through the Sircon website.

Producers are not required to submit their CE credits to Pearson VUE but they must keep course completion certificates in their files in case there is a discrepancy on continuing education transcripts. Prior to the producer's continuation date, Pearson VUE will provide the producer with the number of reported credits completed for the cycle. Producers can view their course transcripts online at www.sircon.com/colorado. It is the producer's responsibility to verify the transcript and advise Pearson VUE of any discrepancy

Q. WHAT DO I DO WITH COURSE COMPLETION CERTIFICATES?

- A. Within fifteen (15) business days of successful completion of a course, the course provider will issue the producer a course completion certificate that will contain the Colorado course approval number for that course and the number of approved credits. *An approved Colorado course provider must complete the course completion certificate.* Producers will need the course completion certificate to verify their CE transcript prior to continuation of their license. Producers **must keep** the course completion certificate in their files for a minimum of five (5) years. **DO NOT FORWARD THIS CERTIFICATE TO THE DIVISION OF INSURANCE NOR TO PEARSON VUE.**

AMERICANS WITH DISABILITIES ACT (ADA)

Pearson VUE complies with the provisions of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.) and Title VII of the Civil Rights Act, as amended (42 U.S.C. 2000e et seq.), in accommodating disabled candidates who need special arrangements to take an examination.

Walk-in examinations are not available, so you must make a reservation.

You are responsible for knowing which examination you must take.

*TELECOMMUNICATION DEVICES FOR THE DEAF

Pearson VUE is equipped with TDD (Telecommunication Devices for the Deaf) to assist deaf and hearing-impaired candidates. TDD calling is available 8 a.m. to 5 p.m. (EST) Monday through Friday, toll-free at (866) 274-4777.

The form must be accompanied by supporting documentation from a physician or other qualified professional reflecting a diagnosis of the candidate's condition and an explanation of examination aids or modifications. Pearson VUE will provide auxiliary aids and services, except where such may fundamentally alter the examination or results, or result in an undue burden. The examination will be scheduled upon receipt of all required information by Pearson VUE.

Candidates who have additional questions concerning ADA arrangements may contact the ADA Coordinator at (800) 466-0450. However, the *Special Accommodations Request Form*, along with the required supporting documentation, **must** be submitted to Pearson VUE before any special examination arrangements can be finalized.

Pearson VUE will determine the time and place of specially arranged examinations and will confirm these arrangements directly with the candidate. Candidates who need to reschedule or need to retest should notify Pearson VUE Special Accommodations that special arrangements were used for the previous examination.

Due to the unique nature of each special request, Pearson VUE recommends that candidates request special services as early as possible. Pearson VUE will make a concerted effort to provide reasonable accommodations as permitted by state licensing agencies and individual test center capabilities.

NON-SATURDAY EXAMS

If, for religious reasons, you cannot take an examination offered only on Saturdays, you may request a non-Saturday examination. This request must be in writing on official stationery by your religious advisor and faxed or mailed to Pearson VUE at the address given on the inside front cover of this handbook. Non-Saturday examinations are available only on a pre-arranged basis.

EXAM FEES

You must pay the examination fee (\$73) at the time of reservation by credit card, debit card, voucher, or electronic check. **Fees will not be accepted at the test center.** Examination fees are non-refundable and non-transferable, except as detailed in *Change/Cancel Policy*. Refer to the back cover for actual fees and allowable examination combinations.

You are individually liable for the full amount of the examination fee once you have made a reservation, whether individually or by third party.

You are responsible for knowing all regulations regarding fees and examination scheduling as presented here, without exception.

- Bank name
- Account number
- Routing number
- Social Security number or driver's license number
- Name and address on the account

Using this information, Pearson VUE can request payment from your bank account just as if you had submitted an actual paper check.

Candidates paying by electronic check must register at least five (5) days before the examination date in order for their check to be processed.

Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at www.pearsonvue.com/vouchers/pricelist/co/ins.asp by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate voucher as the payment method and provide the voucher number. All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

CHANGE/CANCEL POLICY

Call Pearson VUE at (800) 274-2616 at least two (2) calendar days before the examination to change or cancel a reservation. If you change or cancel a reservation with proper notice, you may either transfer the fee to a new reservation or request a refund. **If you change or cancel a reservation without proper notice, you will forfeit the examination fee.**

You are individually liable for the full amount of the examination fee once a reservation has been made, whether individually or by a third party.

ABSENCE/LATENESS POLICY

Candidates who are absent from or late to an examination may be excused for the following reasons:

- Illness of the candidate or a member of the candidate's immediate family
- Death in the immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency

Candidates who are absent from or late to an examination and have not changed or canceled the reservation according to the Change/Cancel Policy will not be admitted to the examination and will forfeit the examination fee. Written verification and supporting documentation for excused absences must be submitted to Pearson VUE within fourteen (14) days of the original examination date.

WEATHER CANCELLATIONS AND DELAYS

If severe weather or a natural disaster makes the test center inaccessible or unsafe, the examination may be delayed or canceled. You should contact Pearson VUE at (800) 274-2615 for details on delays and cancellations during severe weather.

RETAKING AN EXAM

To make a reservation for reexamination, follow the procedures outlined in this handbook for making a standard reservation. Reservations for reexamination cannot be made at the test center, and **you must wait twenty-four (24) hours before making one.**

RETAKING AN EXAM

Candidates who fail one (1) portion of the examination and pass the other need only retake the portion that they failed and do so within one (1) year of passing the first portion in order to pass the entire examination. If the candidate does not pass both portions within one (1) year, he/she must retake the entire examination.

REQUIRED MATERIALS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

WHAT TO BRING

All candidates must bring to the test center on examination day the following:

- Identification that is deemed acceptable, as detailed under *Acceptable Forms of Candidate Identification*.

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

Acceptable Forms of Candidate Identification

Candidates must present **two (2)** forms of current signature identification. The primary identification must be government-issued and photo-bearing with a signature, and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph and signature, not expired)

- Government-issued driver's license
- U.S. Department of State driver's license
- U.S. learner's permit (plastic card only with photo and signature)
- National/State/Country ID card
- Passport
- Passport Card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card with visible signature, Permanent Resident Visa)

Secondary ID (signature, not expired)

- U.S. Social Security card
- Debit (ATM) or Credit card
- Any form of ID on the Primary list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a thirty (30) day grace period for renewing the ID, the ID is considered to be expired.

Effective 4/25/11

To better serve our "English as a second language" candidates, the use of foreign language translation dictionaries during the examination will be permitted. Translation dictionaries shall contain word-for-word or phrase translations **ONLY**. Dictionaries that contain definitions of words, explanations of words, or handwritten notes may not be used. Testing center staff will inspect and approve each dictionary before it can be used during the examination. In order to maintain security and to ensure fairness to all candidates, candidates are limited to the use of a single dictionary.

EXAM PROCEDURES

Report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and he/she will be photographed for the score report.

If the *Candidate Rules Agreement* is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

You will have an opportunity to take a tutorial on the PC on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but you should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

You may begin the examination once you are familiar with the PC. The examination begins the moment you look at the first examination question. The time allotted for each examination is detailed on the back cover. After this time has expired, the examination will automatically end. You will leave the test center with an official score in hand.

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to cellular phones, hand-held computers/ personal digital assistants (PDAs) or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens, or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen, or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family, and/or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and/or reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. When the candidate enters and is seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **Candidates may begin writing on these items when they begin the tutorial.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.

EXAMINATION QUESTIONS

Please note that all examination questions, each form of the examination, and all other examination materials are copyrighted and the property of Pearson VUE. Consequently, any distribution of the examination content or materials through any form or reproduction or oral or written communication is strictly prohibited and punishable by law.

For security reasons, examination material is not available to candidates for review.

- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise his/her hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building, they will not be permitted to proceed with the examination and may forfeit the exam fees.
- If necessary, while taking a break, candidates are permitted to access personal items that are being stored during the exam—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to cellular phones, PDAs, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.

EXAM SECURITY

Pearson VUE is obligated to report scores that accurately reflect the performance of the candidates. For this reason, Pearson VUE maintains examination administration and security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent some candidates from gaining an unfair advantage over others because of testing irregularities or misconduct. Pearson VUE routinely reviews irregularities and examination scores believed to be earned under unusual or nonstandard circumstances.

Pearson VUE maintains the right to question any examination score whose validity is in doubt because the score may have been obtained unfairly. Pearson VUE first undertakes a confidential review of the circumstances giving rise to the questions about score validity. Then, if there is sufficient cause to question the score, Pearson VUE will refer the matter to the Division of Insurance, which will make the final decision on whether or not to cancel the score.

The performance of all candidates is monitored and may be analyzed statistically for the purpose of detecting and verifying fraud. If it is determined that a score has questionable validity, the state licensing agency will be so notified and will determine whether the candidate's scores will be released.

UNDERSTANDING YOUR SCORE REPORT

The passing score required for each examination is established by the Colorado Division of Insurance, not by Pearson VUE.

If you pass all parts of an examination, your score report indicates “pass”; no numeric score is reported. For those candidates who fail one or more parts of the examination, a separate numeric score for each failed part will be reported.

Numeric scores on the examinations are “scaled scores,” not percentage scores or the number of questions answered correctly. Equating and scaling are discussed later.

Candidates who fail Part 1 of an examination receive general diagnostic information relevant to each major content area of the examination. Diagnostic information is intended to help failing candidates identify their areas of strength and weakness in order to prepare for future examinations. Use the content outlines (available as a supplement) to interpret the diagnostic information on a failing score report. Examination scores are valid for a period of one (1) year from the examination date.

If you fail Part 2 of an examination, you will receive a numeric score.

Your examination results are confidential and are released only to you and the state licensing agency.

To protect your privacy and to maintain the confidentiality of examination results, Pearson VUE does not give score information over the telephone.

DUPLICATE SCORE REPORTS

You may request a duplicate score report from Pearson VUE by completing the form in the back of this handbook and submitting it with the proper fee.

PREPARING FOR THE EXAM

PRETEST QUESTIONS

Your examination may contain “pretest questions.” These are questions for which Pearson VUE is collecting statistical data for use in future examinations. Pretest questions are not identified and do not affect your score.

EXAM STRUCTURE AND CONTENT

Each major lines examination (Life, Accident & Health, Property, Casualty Personal Lines) is given in a multiple-choice format and consists of two (2) parts. Part 1 deals with basic insurance product knowledge. Part 2 deals with insurance laws, rules, regulations, and practices that are unique to Colorado.

Part 1 consists of (fifty) 50 questions that count toward your score, and (ten) 10 pretest questions that do not count toward your score.

The length of Part 2 of the major lines examinations can be found by referring to the content outlines (see separate supplement). In addition to the number of questions listed in the outlines, the examination may contain pretest question as well. Pretest questions account for twenty (20) percent of the total number of Part 2 questions.

Pearson VUE administers “limited lines” examinations in addition to the major lines examinations. See the back cover of this handbook for a list of other examinations offered. The length and format of these examinations vary, but they are usually one-part examinations covering both product knowledge and state laws, rules, and regulations.

The blueprints from which the examinations have been constructed are the examination content outlines (available as a supplement). The examination content outlines list the topics covered in each examination. Be sure that your program of study covers all the topics listed in these content outlines.

Scores on each examination are based on the number of questions answered correctly. Even if you are uncertain about the correct answer to a question, you may be able to eliminate one or more of the answer choices as incorrect. It is always better to guess the correct answer than to not answer a question because there is no penalty for incorrect answers.

HOW YOUR REPORTED NUMERIC SCORE IS DETERMINED

There are multiple versions of each of the insurance licensing examinations. These versions are known as *forms*. Although all forms of an examination are developed based on the content outlines (available as a supplement), the difficulty of the forms of an examination may vary slightly because different questions appear on each form. To ensure that no candidate is put at an unfair advantage or disadvantage due to the particular form of an examination that he or she is given, a statistical procedure known as *equating* is used to correct for differences in form difficulty.

For example, in a life insurance examination with two (2) forms, Form A and Form B, the state licensing agency determines that answering 30 questions correctly on Form A demonstrates the minimum amount of knowledge necessary to be licensed. It is further determined through the equating process that Form B contains slightly more difficult questions than Form A; therefore, answering 30 questions correctly on Form A would indicate the same level of knowledge as answering only 28 questions correctly on Form B. Under this set of circumstances, a score of 30 questions correct would be used as the passing score on Form A whereas a score of 28 questions correct would be used as the passing score on Form B.

A second statistical procedure known as *scaling* is used to determine the numerical score to report for each candidate. Scaling is used to place a *raw score* (the number of questions a candidate answers correctly on a particular form) on a common reporting scale on which each scaled score represents a given level of knowledge regardless of the difficulty of the form on which the *raw score* was achieved.

To illustrate how scaling works, suppose that in the life insurance examination example used above, the state licensing agency decides to use a score of 500 as the passing score for reporting purposes. (Note that the score selected to be used as the reported passing score is not related to, and has no bearing on, the difficulty of the examination.) Based on the information provided above, a raw score of 30 on Form A would translate to a scaled score of 500; a raw score of 28 on Form B would also translate to a scaled score of 500 since a raw score of 30 on Form A represents the same level of knowledge as a raw score of 28 on Form B.

Your state licensing agency has selected 70 as the major lines passing score for reporting purposes. The limited lines passing score is 75. Raw scores are converted into scaled scores that can range from a low of 50 to a high of 100. To avoid misuse of score information, numeric scores are only reported to failing candidates.

The scaled score that is reported to you is neither the number of questions you answered correctly nor the percentage of questions you answered correctly.

STUDY MANUALS, SCHOOLS, AND PROGRAMS

The content outlines (available as a supplement) are the blueprints used to construct the examinations. You should be sure that the training materials you use to prepare for your examination cover all the topics included in the content outlines.

The Division of Insurance does not issue study material for use in preparation for licensing examinations. However, actual state insurance laws and regulations provide an invaluable source of information in preparation for Part 2 of the major line examinations, and current insurance textbooks and policy forms provide the bases for preparation for Part 1 of the major line examinations. In addition, a number

of publishers' and suppliers' training courses are available. Neither the Division of Insurance nor Pearson VUE can recommend or endorse any particular manual or course or provide information regarding costs or fees. For further information about publications or training courses, please contact sources directly.

Neither the Division of Insurance nor Pearson VUE takes any responsibility for inaccurate, misleading, incomplete, or outdated study materials.
